Dear Bondholders.

We take pride in submitting Miami-Dade County's [Annual Report to Bondholders](#) covering the **County's** outstanding bond issues through fiscal year ended September 30, 2000. This Report is presented in pursuant to the Securities Exchange Commission's Rule 15-c2-12 requirements.

Accuracy and efficiency is of utmost importance to the County's funding and municipal finance practice to bring confidence to both the community that we serve and you, our investor. We, at the Finance Department and it's Division of Bond Administration, thrive in focusing on the achievement of excellence in reporting the municipal debt activity of the County to provide the required information to assist you in making a confident and sound decision related to the return of your investments.

We count on the support and resources of a professional and dedicated staff committed to meet your investment needs. As in the past, and for your convenience, you may access this Annual Report through the Internet at <http://www.co.miami-dade.fl.us/finance>.

Respectfully submitted,
